## Primary Requirements for Editing Kb application:-

- The most primary requisite for editing KB data is to fill these 4 mandatory fields- “Gender” ; “Caste”; “Relation with farmer”; “Farmer’s Age” .
- These 4 fields cannot be kept blank & has to be filled before editing any part required of the farmer application.
- Proceed towards editing the main parts, as desired, post filling these above parts. Scroll down.

# Step -2

- Click on the “**UPDATE**” Button at the end to save the changes post editing .
- **THINGS TO REMEMBER:-**
- Multiple mouzas can be added into a single application, only if it belongs to that pre-selected block. If the mouzas belong to different blocks, it has to be a new application, with the same farmer’s details.
- Pictures of document scan copies, can be uploaded too while editing. Maximum file size supported for all = 500 KB. For the land document, it is = 1MB.
- Picture format supported = JPG, JPEG, PNG, PDF, etc.
